Defective Appeal Brief

This communication is in response to the Substitute Brief of Appeal filed October 28, 2003.

"Notification of Non-Compliance with 37 CFR 1.192(c)"

The Substitute Brief of Appeal filed October 28, 2003 is not acceptable because the Status of Amendments, Summary of Invention, and the Arguments are based on the un-entered amendment filed May 14, 2002.

The petition to entry the amendment filed after final rejection has been denied on August 15, 2003. Therefore, the Status of Amendments, Summary of Invention, and the Arguments do not correspond with the appealed claims.

If a brief is filed which does not comply with all the requirements of paragraph (c) of this section, appellant will be notified of the reasons for non-compliance and provided with a period of one month within which to file an amended brief. If appellant does not file an amended brief during the one-month period, or files an amended brief which does not overcome all the reasons for non-compliance stated in the notification, the appeal will stand dismissed.
